**BOURNEMOUTH, DORSET & POOLE MINERAL SITES PLAN EXAMINATION**

**25th - 27th SEPTEMBER & 2 & 3rd OCTOBER 2018**

*(Mineral Sites Plan: Further details will be sent out in due course)*

Consultations took place relating to the Bournemouth, Dorset & Poole (BD&P) Pre-Submission Draft Waste Plan and the BD&P Pre-Submission Draft Mineral Sites Plan between 1 December 2017 and 31 January 2018. During this time you submitted representations to one or both of the plans and I am writing to inform you about further progress of the examinations.

Several options were open to you regarding the Hearings; to appear in person and take part in the discussion (Appear) or to opt for written representations. Your response was '**Appear**'. If you wish to change this you must let me know as soon as possible as the programme for the Waste Plan Hearings will be produced shortly.

WHAT YOU NEED TO DO:-

- Check your details above are correct;
- All those who responded indicated that they would be happy to receive information by email. If I do not have your email address and I would be most grateful if you would let me have it as soon as possible to save on postage and printing.
- Please refer to <https://www.dorsetforyou.gov.uk/article/406513> for further information on the hearing and submitting any further statements.

WASTE PLAN ONLY:-

- If you have requested to appear in person and are aiming to send in a further statement in response to the Inspector's MIQs, your comments should be limited to the area of your original representation;
- Both the hard copy and the electronic copy must be **with me - not in the post - by 5pm Friday 8th June.**
