**328. Planning Applications:**

Cllr Dyer attended this meeting to ensure it was quorate as Vice Chairman of the Parish Council: It was noted that as he is also a District Councillor when the following applications come before the District Council, further information may be available to Cllr Dyer which may change his view of the decisions made at this meeting. Noted.

App No.	Address	Recommendation
12/0945	7 Greenwood Copse, St Leonards- Single storey side and rear extensions and detached double garage to front (demolish existing garage.	No objection subject to compliance with Tree Officer's requirements.
12/0949	31A Avon Castle Drive Avon Castle BH24 2BB-Create First Floor Accommodation by Raising Eaves Height, Adding 2 Dormers and a 2 Storey Extension to the Front, and 2 Storey Extensions to the Rear. Add Rear Balconies and Terrace and a Triple Garage to Front	No objection provided Case Officer satisfied re Special Character Area.
12/1008	10 Pine Manor Rd, Ashley Heath- Replace existing carport with single storey side extension to provide additional garage	No objection
12/1029	Eastmoors Farm, 236A Ringwood Road- Siting of secure storage container to be used in conjunction with existing equestrian use.	Objection – Concerned over appearance of container and whether compliant with Green Belt Policy
12/1032	23 Sandy Lane, St Ives- Demolish dwelling and erect pair of chalets with garages	Object – Semi detached not in keeping by design with the street scene. The arrangement of the garage at the rear is contrived to overcome the narrowness of the plot. The proposal is intrusive to number 25 due to the close proximity of the driveway. We are concerned it will impinge on the amenity space of number 25. Over development of the site. We request that this goes to Committee if the Officer is at variance.
12/1054	55 Oaks Drive St Leonards BH24 2QR-Side extension to provide integral garage and raise roof to provide additional accommodation at first floor.	Object – The plans seem to indicate an overhang of the garage over the boundary of 57. Impinges on the amenity space of 57. The proposal needs to have a bigger gap between the two boundaries. Unneighbourly as presented.
