**376. Planning Applications:**

App No.	Address	Recommendation
13/0333	Plot 4, land at 5 Egmont Close, Avon Castle- Amended plans showing amended location of plot 4	We have some concerns but subject to Tree Officer and Highways being satisfied minded to approve. Also concerned as the resultant proposal will mean 5 driveways off of a private drive. The land omitted is a temporary measure to contrive permission, what measures can be taken to ensure that this piece of land will remain as SSSI and not taken into the curtilage of plot 4 over time.
13/1086	48 Woolsbridge Road, St Leonards- Single storey extension over existing garage to form additional bedrooms within pitched timber roof structure	Pleased to see that the balconies have been removed however we are still concerned about overlooking particularly on 50 Woolsbridge Road and the sheer scale of the proposal. This is a prominent corner site and this proposal would result in overdevelopment of the site. If minded to approve we would ask that it is conditioned to prevent splitting into two properties and the overlooking issues are addressed. We ask that this goes to EDDC Committee if the officer is at variance and we will send a speaker against
14/0013	20 Avon Avenue, Avon Castle- Extend and enclose front porch to create feature convert garage to create habitable room, single storey rear extension to kitchen following removal of existing conservatory. Removal of two diseased trees as identified.	No objection provided Tree Officer satisfied and in keeping with Special Character Area Policy.
14/0014	20 Avon Avenue, Avon Castle- New detached garage	No objection provided Tree Officer satisfied and in keeping with Special Character Area Policy.

14/0039	4 Fir Tree Close, St Leonards- Sever land and erect one new 3 bed bungalow with garage	Object – garden grabbing, back land development. If Officer is minded to approve every endeavour should be made to limit the impact, such as the removal of future development rights, no overlooking and the fence requested by adj property is conditioned. A badger run is known to be behind this and 2 Fir Tree Close this must be protected. We ask that this goes to EDDC Committee if the officer is at variance and we will send a speaker against.
14/0044	Oakengates 5 Davids Lane- Proposed single storey rear extension	No objection

**377. Trees:-**

- Confirmation of TPO 1 Bushmead Drive
- Notification of Emergency TPO for 6 months 121 Woolsbridge Road

**378. Planning Decisions:** The application to extend the fuel Depot close to Folly Farm has been refused as contrary to the Green Belt Policy.

**379. Special Character Areas-** Members discussed the existing policy and recent applications which had been approved at Ashley Drive South; Ashley Drive North and the pending application at 51 St Ives Park. Members were concerned at the apparent erosion of the areas. Members noted that the areas were established 10 years ago and it was agreed that to give more weight to the policy a review is needed. The Parish should have input into this as the voice of the residents. It was noted that the trees in the rear properties of Sandy Lane form the verdant backdrop of the special character area of St Ives Park. Further walkrounds were needed to establish other specific points worth noting. The Clerk was asked to write to Mr Chope prior to instigating a review and ask in respect of the Localism Act what the definition of the Local view is?

**380. Exchange of Information:**
