**155. Planning Applications:**

App No.	Address	Proposal
14/0692	5 Strode Gardens St Ives- Proposed single storey rear infill extension and rebuild existing garage	No objection provided there is no objection from the neighbour potentially affected.
14/0736	Barn Cottage, The Sheiling Horton Road- Demolish weaver and create two storey extension to Barn Cottage	We feel that the Statement of Development Intentions already agreed should be strictly adhered to. Therefore this should be rejected unless it does.
14/0748	1 Greenwood Way, St Ives- Demolish existing mono pitched roof garage and erect new garage/store	Objection unneighbourly due to the loss of light as a result of the close proximity of the proposal to the neighbour at 15 St Ives End Lane if pulled away from the boundary to existing building line we would have no objection
14/0749	Skindles 79 Sandy Lane, St Ives- Front extension and alteration to bay window removal of stone panel beneath existing window and replace with plain render	No objection
14/0440	55 Avon Castle Drive, Avon Castle- Single storey side extension, refurbishment, replacement of existing pitched roof with raised flat roof to incorporate first and second floor accommodation	The amended plan is an improvement and seems to alleviate our concerns however we would like permitted development rights to be removed. We are unable to visit the site so rely on the Case Officer to ensure no overlooking due to topography provided satisfactory no objection.
