

## PROPOSED TEMPORARY CLOSURE OF BOUNDARY LANE, SAINT LEONARDS & ST IVES

I have received an application from Sunbelt Rentals agents of BT to close Boundary Lane, Saint Leonards 200 meters from both directions from the junction of Foxbury Road, a distance of approximately 400 metres. The closure has been requested to allow Sunbelt Rentals agents of BT safe access to carry out and access an underground structure and overhead cable in the highway.

These works are programmed to commence from 09:30, 16th August 2021 until 15:30, 18th August 2021.

Sunbelt Rentals agents of BT will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Nigel Coelho, (trafficteam@dorsetcouncil.gov.uk) by 2 August 2021.
