

PROPOSED TEMPORARY CLOSURE OF PINEHURST ROAD, WEST MOORS

I have received an application from JDT Utilities agents for SGN to close PINEHURST ROAD, WEST MOORS. The closure has been requested to allow JDT Utilities agents for SGN to lay a new gas main and connect to newly laid PE.

These works are programmed to commence from the, 16th April 2022 until 23rd April 2022, this will be a 24 hour closure. These works are part of a larger scale project and this will be phase 2.

To impose temporary road closure on Pinehurst, West Moors from the junction of Beechwood in a North Westerly direction (in both directions), a distance of approximately 150 metres from this point.

JDT Utilities agents for SGN will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Nigel Coelho, (trafficteam@dorsetcouncil.gov.uk) by date 25th March 2022
